

DeerScan mobile app instructions

Step-by-step instruction to help you record information about wild deer using the FeralScan App.

1. Select deer

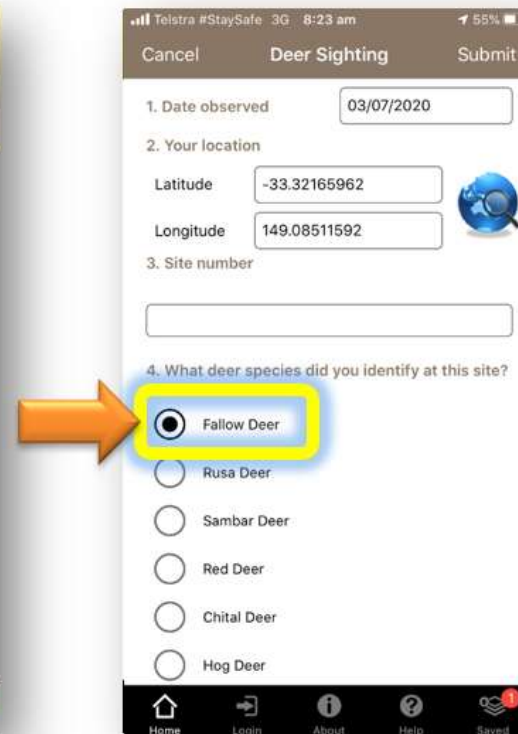

From the app home screen select the wild deer image.

2. Select data type

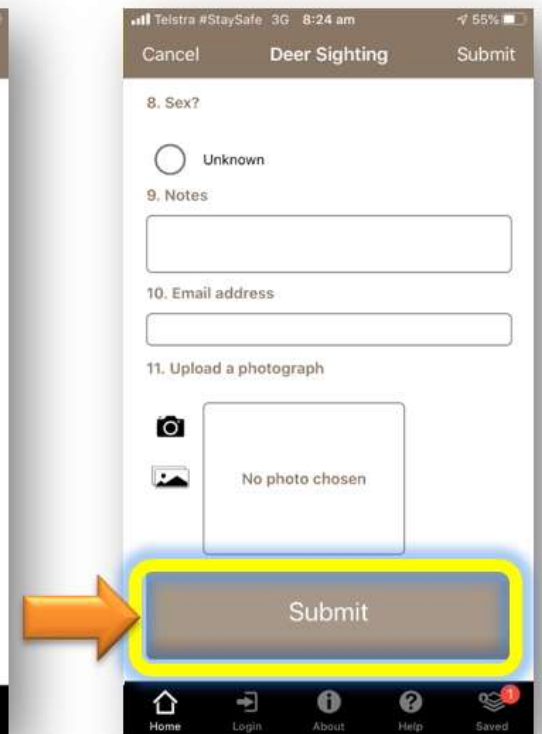

Select either the 'Sightings' 'Damage' or 'Control' buttons to begin recording.

3. Answer the questions

The date and location will automatically appear. Answer all relevant questions.

4. Submit report

Upload a photo (optional) then select 'Submit'.

Download the App **FREE** from the app store, or record information using the website www.deerscan.org.au
