

Step-by-step instruction to help you record damage caused by wild dogs using the WildDogScan App.

1. Select wild dog

2. Select Damage

3. Answer the questions

4. Submit report

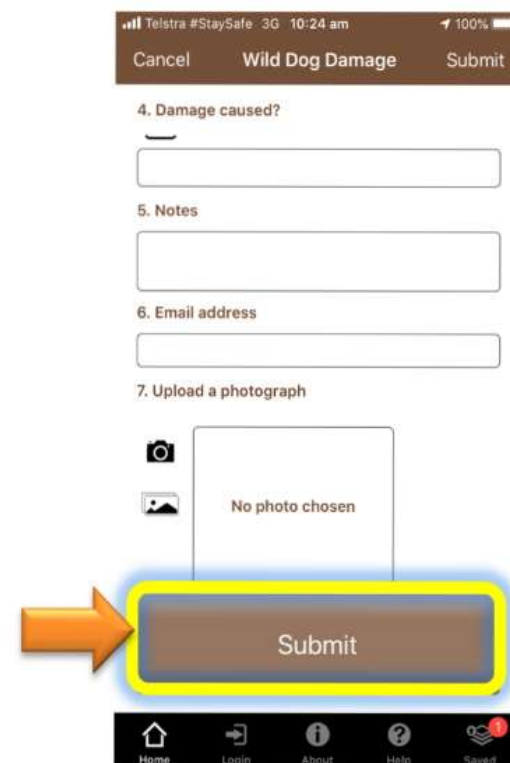

From the app home screen select the wild dog image.

Select the 'Damage' button to begin recording.

The date and location will automatically appear. Answer all relevant questions.

Upload a photo (optional) then select 'Submit'.

Download the App **FREE** from the app store, or record information using the website www.wilddogscan.org.au
